Click on the **Begin Download** button (test) to download your product. We recommend saving the file to your desktop for easier access. Microsoft Internet Explorer version 5.5 users must perform an HTTP Download and select "Save Target As" from the dropdown menu. See [Detailed Download Instructions](#) for more information.

If your order contains downloadable software and you have not purchased our [Extended Download Service](#), you have **30 days** to download your purchase. Please save a backup copy to a ZIP drive, FireWire disks, etc., of the file(s) that you downloaded in case you have computer or hard disk problems.

If your product requires a Serial Number/License Key or unlock code, please make note of the number displayed in your order details above for future reference. A confirmation email will be sent to you shortly that will also supply this information.

If your order contains a shipped product, we will send you an additional email which will include tracking information when the item is shipped. Shipping invoices received with the product shipment may not reflect actual purchase price but rather a list price per product.

If you have problems with your order, or have any additional questions or comments, please refer to the email confirmation for your order or you may contact [Customer Service](#) for assistance.

Note: Some pop up blocker and firewall programs, as well as Proxy servers, may prevent communication with our server. If you utilize these types of applications, you may need to disable them. For more information, click [here](#).

Thank you again for your order!
